Councilmen Pass Resolution To Request Financial Aid From State For C. D. Work

In an exceptionally brief meeting, Monday night, May 22, the board of councilmen of Daly City passed Resolution No. 849 which authorized the mayor and city clerk to execute an application to the State of California for financial aid toward civilian defense expenses. The city asked for $179.47 under the statutes which proffered aid for local civilian defense costs. The city allocated $250 to match the state participation. Adoption of the resolution was moved by Councilman Howard McHugh; it was unanimously adopted.

Councilman B. L. Meritt made a motion that a request from the fire department, that the balance in the fire protection fund be distributed at the end of the fiscal year to the members, be granted. The motion was unanimously passed.

The fire department is allotted $6,000 a year for the fire protection fund which is used to pay the men who report for fires. At the end of the fiscal year any surplus is distributed to the men who have reported for fires on the basis of the number of hours spent in actual fire fighting.

The council, upon the recommendation of the fire commissioners, accepted the resignation of Martin S. Johnson from Station 2, D. C. F. D. Councilman Meritt made the motion that the resignation be accepted.

Mrs. Louise T. Cook, clerk in the Daly City Municipal Water department, was granted two weeks in addition to the regular 2-week vacation period to enable her to visit her son, who will

Scout Executive To Be In Daly City

Miss Norma Northberg, representative of national Girl Scout organization in the region which includes California, Arizona, Utah, Nevada, and Hawaii, will be in Daly City, Monday, May 29, to meet with leaders and others interested in girl scouting, at 599 Crocker avenue, 8 p. m.

A resident of San Francisco and a graduate of the University

MISS NORTHBERG

of California, Miss Northberg has had considerable practical experience in Girl Scouting. Before joining the national staff she served as leader and later as field captain in Los Angeles. She was director of the Los Angeles Girl Scout camp for two years and carries on her interest in the study and development of camping by taking active part in the work of the American Camping association. Miss Northberg is also a member of the National Association for the Study of Group Work.

Several Hundred Apply For Victory Rate

More than four hundred local residents have already applied for special water rates for Victory Garden use, this season, according to Water Superintendent Arthur J. Bodien.

Deadline for the application is July 1. Each water consumer was sent an application form with this month's water bill.

This is the second year in which the city council has granted special water rates to encourage the home production of vegetables. As there is no feasible method of separately measuring the water used for Victory Gardens as against the balance of water used on the premises, allowance is made for applying water to a depth of two feet over the garden area, chargeable at the special rate, by applying a credit of 15c per 100 cubic feet for the volume of water allowed for Victory Garden areas.

The special rate will not be applied to any gardens less than 100 square feet in area. The credit will be applied to bills for regular metered service subsequent to June 1 until the total credit allowance has been made.

All applications for this special rate must be made on the printed form provided by the department. This applies whether or not the resident has written or telephoned in regard to the matter.

Draft Board No. 103 Receives More Calls

Daly City Draft Board No. 103 has received two calls from the U. S. Army, according to Mrs. Isabelle Flynn, chief clerk; one for June 19, fifty men, and one for June 28, twelve men. The Navy has asked for 26 men for June 30 induction.

There will be a pre-induction physical, June 24, for 33 men under the jurisdiction of the local board.

Mrs. Flynn reports that in compliance with the new order that no men over 26 be inducted, the draft board personnel is hard at work removing all those over 26 out of 1A and reclassifying them according to occupation.

Monday, May 29, there was to be a preinduction physical for 75 but Mrs. Flynn doubted that the board would have sufficient men to make up the quota.

Veterans Sponsor Memorial Services

Jointly sponsored by the various Veteran organizations of San Mateo county, Memorial Day services will be held at Golden Gate National cemetery, San Bruno, Tuesday, May 30, at 2 p. m. The public is invited to attend the program. John J. Madden is general chairman for the services.

Master of ceremonies will be William H. Augustus. Advance of the Colors will be by the U. S. Navy from Tanforan Advance Naval Training base under the direction of Lieutenant Commander Donald M. Strong.

Invocation is to be given by Reverend J. R. Wilkins, chaplain of Matalan post, V. F. W. Miss Dorothy Staton, accompanied by the Western Defense Army band, will sing "America," as well as several other numbers. A quartet of men from the U. S. Army will give the "Spirit of 1918," while Staff Sergeant James Fitch, U. S. Army, is scheduled to sing "Stout Hearted Men."

The Memorial Day address will be given by Harold J. Boyd, past San Francisco county commander, V. F. W. Tanforan base, U. S. Navy, will give the "Salute to the Honored Dead." After taps, Father John S. Roberts will offer the benediction, and the pro-

NEWS OF OUR MEN and WOMEN IN UNIFORM

Sergeant **Frank Tringali** is now home on sick leave, visiting with his parents, Mr. and Mrs. L. Tringali at 116 Flournoy street. He has just spent 13 months in Alaska and has been sent back to the states because of frozen feet.

Tringali is a graduate of Jefferson Union high school and was one of the first to volunteer for duty with the armed forces from this community.

Corporal **Steve J. Gallo**, Daly City, is now on overseas duty in England.

The Marana Army Air field, Tucson, Arizona, announces that **Anthony D. Del Negro**, 30, son of Mr. and Mrs. D. J. Del Negro, San Francisco, has been promoted from warrant officer junior grade to chief warrant officer at Marana Army Air field.

Del Negro, an aviation cadet tactical officer at the basic pilot training school, at present is on detached service at the Air Service Command technical supply officers' school, McClelland field, California. He was an automobile mechanic for the Galland Mercantile Laundry at San Francisco before entering the service in June 1941.

He was stationed at Moffett and Chico fields in California before assignment to Marana in August, 1942. A former high school athlete at Plainfield, New Jersey, Del Negro was vice-president of the Daly City Rod and Gun club from 1937 to 1939.

Albert N. Wilmes, 18, seaman first class, son of Mr. and Mrs. A. N. Wilmes, 208 Hillcrest drive, Daly City, has completed his basic training at the Submarine school, Submarine base, New

London, Connecticut, for duty with the nation's growing fleet of undersea fighters.

Seamon Wilmes will be entitled to wear the twin dolphin insignia of the submarine service after further experience aboard a submarine during which he must demonstrate to his commanding officer that he is fully qualified to carry out the duties of his rate. The insignia is regarded as a mark of distinction throughout the Navy.

Wilmes was a graduate of Balboa high, San Francisco, where he also had Army ROTC instruction. He joined the Navy last August and had recruit training at San Diego, California.

The Submarine school, the only one of its kind in the Navy, is attended by a picked group of men who must pass special physical, mental, and psychological tests.

Lieutenant **Andrew A. "Al" Marcucci** wrote The Record, May 8, from Italy, where he is now stationed with a bombing squadron.

"My knowledge of the Italian language helps me a lot since all of the people here speak it. The men that run the cleaning ship are all Italians and I have served as interpreter for quite a few fellows," he said.

"I have been over enemy territory and have dropped bombs on same. Have seen enemy bursts of 'flak' and they are certainly not encouraging. We have a very good squadron, however, and most of the time all of our ships come back."

Schedule "Open House" Festivities For Monday Night, May 29, At Center

Fifty-four thousand men would make a sizeable crowd, don't you think?

That's how many boys have been in attendance at the Daly City Servicemen's club, 6201 Mission street, during the first year of its operation. Monday night, May 29, the club will have been open just one year and during that time approximately 150 have used the center each night.

Special open house festivities have been planned for Monday night and the public is invited to attend. Doors will open at 7:30 p. m. and at 8 there will be a program of entertainment, including accordion music, Irish songs, community singing and other features. Refreshments, highlighted by a special birthday cake, will be served.

In charge of Monday night's program, as they have been for all of the club's many activities, will be the three women who have done most to get the club open and to keep it open—Mrs. Maisie Boyle, Mrs. Anne Eason and Mrs. Margaret Steele. They have had the wholehearted support of the city council, local organizations, business houses, and individuals. Probably there has never been a local project here which has called forth the spirit of willingness and generosity displayed in this case.

Dedication ceremonies for the club, opened for the convenience and pleasure of servicemen stationed in this area, were held, Saturday, May 29, 1943. Rent and utilities were underwritten by the city council, furnishings were provided by business houses and through the cash donations of organizations, shops, and individuals.

Each week some local organization has acted as host or hostess group for the club. In addition a number of fine young ladies have served as junior hostesses. Every Saturday night there has been a dance, while all holidays like Thanksgiving and Christmas have been appropriately celebrated, complete with "all the trimmings" that would make the center seem like home to boys far away from their own families.

Here's a headline review of the club for 1943 which tells as concisely as anything what the club has done since its inception: "Local Servicemen's Club to Open Doors," "Two Hundred Attend Opening," "Club Opens Extra Hours," "Club's Popularity Still on Increase," "Druids Give the Boys Chance to Call Home," "Legion Takes Charge at Service-

Return Incumbents In School Elections

In the Friday, May 19, school trustee elections the incumbent was returned in both the Jefferson Elementary School district and Jefferson Union High School district contests.

In the high school trustee election, Remi Sanders, long-time board member, was opposed by Fred Bertetta, 98 Cavour street. Sanders received 790 votes and Bertetta, 383.

By polling places the votes were: Woodrow, Sanders, 239, Bertetta, 77; Rockaway, Sanders, 16; Bertetta, 12; Sharp Park, San-

ders, 14; Bertetta, 5; Brisbane, Sanders, 167; Bertetta, 53; Bayshore, Sanders, 114; Bertetta, 21; Crocker, Sanders, 186; Bertetta, 56; Jefferson grammar, Sanders, 54; Bertetta, 159.

Reorganization meeting of the high school trustees will take place in July, as it will for the elementary district trustees.

George R. Augustien, chairman of the Jefferson Elementary School district board of trustees for the past 18 years, was returned for another term, Friday, when he received 420 votes to 325 for Mrs. Hazel Marsh, 301 Wellington avenue.

Mrs. Marsh was a write-in candidate, a fact which made her total of votes even more impressive.

By polling places the votes cast were: Jefferson grammar, Augustien, 132; Mrs. Marsh, 54; Woodrow, Augustien, 124; Mrs. Marsh, 186; Crocker, Augustien, 164, Mrs. Marsh, 85.

This Horse Was Either Up Early Or Out Late

Whether Officers Roland A. Petrocchi and Roy Beecher were humming "Out Of My Dreams," Monday, May 22, at 3:50 a. m. or not, they might well have been, for suddenly there was a horse strolling down Mission street, near Hillcrest drive. When the officers tried to catch him he made off up Wellington avenue, then down Irvington street, up Crocker avenue to Peoria street, where he finally decided to give himself up to the law. Amateur Cowboy Beecher rode him (by that time the boys had named him Seabiscuit) back to the city hall where he was tied to the fence with a rope from Company No. 4 firehouse. Later Monday morning Seabiscuit was taken to one of the stables at Colma.

At 1:10 a. m., May 22, Officers Petrocchi and Beecher took into custody two teen-age boys on Junipero Serra boulevard for violation of the local curfew ordinance.

May 21 at 6:30 p. m. Miss Ella Redkey of the high school faculty called for police assistance when she found a boy trying to break into the school. Officer Henry Sundermann jr. responded and found that the boy had drilled a quarter-inch hole in the door panel which leads to the rear of the manual arts room, then used a piece of wire and tried to open the door by putting the wire

Schools Set Graduation Dates

Whenever June rolls around diplomas and graduation exercises take uppermost place in the minds of Daly City eighth graders and high seniors.

For the schools of the Jefferson Elementary district, the graduation program is set for Friday, June 16, at the high school auditorium, according to Superintendent R. L. Crane jr. Pupils completing the eighth grade at Crocker, Woodrow Wilson and Jefferson will be awarded diplomas at that time. The exercises traditionally begin promptly at 8 p. m.

On the same evening, June 16, the graduates of Our Lady of Perpetual Help parochial school, conducted by the Sisters of St. Joseph of Orange, will hold their graduation exercises in the church, 60 Wellington avenue.

Sixty-three capped and gowned seniors are scheduled to receive diplomas at the Wednesday, June 21, commencement program of Jefferson Union high school, according to Principal James Ferguson. Date for the senior ball at the high school has been set for Friday, June 2.

Full details of the three graduation ceremonies will be published at a later date.

"Fighting Seabees" Now At Daly City

All phases of the highly diversified and technical training of Seabees is shown in Republic's film story of the heroic organization, "The Fighting Seabees" which opens at the Daly City theatre, tonight, for a three-day showing.

Because of the variety of skills employed by the battling builders, Republic found it necessary to send out three and four units at a time to cover the various stages and types of training.

Given the usual boot instruction, Seabees carry on from there with classes in battle technique, such as are used by Marine Raider battalions. After acquiring all the knowledge of Navy and Marine battle skills, the Seabees further augment their learning with courses in handling construction equipment of the latest type and the newest methods of putting in combat installations.

Filmgoers are given full opportunity to satisfy their curiosity about the Seabees when the film is shown, no phase of the men's lives is left out of the training period sequences.

Republic had units working on both the East and West coasts at the various camps shooting any and everything in the way of Seabee activities. Most of the factual filming was done under adverse conditions, because the training program could not be halted for an instant.

Although based on a fictional story, "The Fighting Seabees" is almost a documentary film, because it is the first to reveal the actual workings of Uncle Sam's newest fighting unit.

Record Explains About "Overseas"

So many requests are reaching this office for The Record to be sent overseas to servicemen that we are quoting the ruling which this newspaper, and newspapers everywhere, have received from the office of the Postmaster General:

"No free copies of publications of the second class may be accepted for mailing from publishers to Army personnel at A. P. O.'s overseas at the second-class rates of postage."

And that is how it is. We are still able to send to Navy and Marine personnel but not to Army boys. We are sending the paper to all Army men from Daly City stationed at camps in the United States. We began this when the first contingent inducted from the local draft board left here before Pearl Harbor. We've done it ever since as our contribution to "the boys."

Our only suggestion is that the folks at home mail clippings from The Record along with their letters to Army men overseas. That is the only solution we know of to get The Record to the boys.

V. F. W. To Sell Buddy Poppies

Old Glory Auxiliary No. 2044, V. F. W., is assisting its post, Old Glory Post No. 2044, with the sale of Buddy Poppies. These poppies, made by the disabled veterans themselves, will be offered for sale on the streets of Daly City, Friday, May 26, through Tuesday, May 30. Auxiliary chairman for the sale is Mrs. Loretta Hancock while post chairman is Walter J. Lehigh.

Daly City residents are asked to participate in the drive by purchasing the gay orange poppies with the green labels. Their cooperation will be greatly appreciated as it enables the V. F. W. to carry on their hospital welfare work for the veterans.

Mrs. Walter J. Lehigh will open the sale in Daly City, Friday morning, May 26.

The Daly City Record, this week, received the following letter from the V. F. W. auxiliary:

"To The Editor:

Old Glory Auxiliary No. 2044, V. F. W., wishes to thank the Daly City Record for its grand cooperation and the many courtesies extended to the auxiliary during the past year.

(Signed) Mrs. W. J. Lehigh,

Senior Air Raid Wardens Will Not Meet

Chief Air Raid Warden Harry Melicker called to public attention the fact that the Daly City Senior Air Raid Wardens will not hold their regular last Friday meeting in May. In fact, regular meetings have been abandoned at the present and sessions will be called at the discretion of group leaders.

Melicker pointed out that the organization will be kept intact for the protection of the community and that the new meeting schedule in no way indicates a disbanding of the wardens.

Difficult working schedules and the current overhauling of civilian defense as a whole were given as reasons for the new plan.

About a Job You May Want

It's with Southern Pacific . . . and it's a job which best fits your ability and your personal ideas of the work you'd like to do. Because it's one of a hundred kinds of jobs. You have your choice. Maybe you're a machinist or carpenter or an ex-railroader—an experienced man. Maybe you're unskilled or semi-skilled. That isn't so important. The big thing to remember is, that this is a railroad job . . . that it's "got something" other jobs don't always have — the interest and excitement that goes with railroading. It's a job with a permanent company . . . with people you'll like. A job with opportunity to get ahead . . . a job you can really respect. S. P. needs men for all mechanical crafts . . . needs inexperienced men too, as helpers or shop workers . . . men for every imaginable kind of job. If you're sincere in wanting a better-than-ordinary job, we'd like to talk to you. Liberal age limits. New, higher railroad wages. Railroad pass privileges. Fine pension plan. Grace Presbyterian Announces Services

Grace Presbyterian church, Hanover street and Evergreen avenue, will hold a special memorial service, Sunday, May 28. In connection with the 11 a. m. worship period, the service flag, which was dedicated with 40 stars on it, will be replaced with a new service flag bearing 70 stars.

The service will be identical with the one held, March 12. A trumpet solo, "Salute to the Flag" will be played by William Campbell, Berkeley. The anthem, "God of Our Fathers," will be accompanied by instruments played by Campbell and Mrs. J. Swan.

The public is invited to attend.

Ask All High Schools To Offer Driver Course

Every high school in San Mateo county will be asked to add a course in Driver Education to its curriculum for the school year 1944-45 and thereafter according to announcement today by the California Highway Patrol.

The patrol said it is arranging conferences with every high school principal and board of trustees as a part of a statewide program sponsored jointly by the Departments of Motor Vehicles and Education at the request of the Office of the Quartermaster-General.

The immediate purpose of the program was described as the classroom training of youths about to enter the armed services in the operation and maintenance of military vehicles and relief of the ever increasing shortage of civilian drivers engaged in essential war work.

"But while the program is a definite part of our war effort it has far greater implications in the post-war period," patrol officials explained. "It contemplates nothing less than the training of every high school boy and girl approaching legal driver age in the fundamentals of safe driving and the social attitudes so necessary for the safe driver."

High School PTA Board Will Meet

Mrs. Ida Hanley will be hostess at her home, 43 Woodrow street, to members of the executive board of Jefferson Union High School P. T. A., Thursday, June 1, at noon. Two matters of major importance will be taken up by the group, the ratification of new chairmen, and a discussion of the 1944-45 program for the unit.

This will be the last meeting of the high school P. T. A. until September. During the summer no regular meetings nor public whist parties are planned.

The unit reminded the public that there will be no whist after the June 1 executive board meeting either.

THE LITTLE THINGS

In this global war which is so vast in all of its dimensions, we may forget that the little things still count. Little things that brighten these war-clouded days, that renew our courage or enliven our hope.

Little things like the red roses which a Sacramento woman received on Mother's Day from her son—a prisoner in Germany. He had been a bombardier on a flying fortress. On a mission over Berlin the big ship was hit and mortally wounded. The boy bailed out.

To him the war was over. But even as a captive of the enemy he was still mindful of the little things that would brighten his war-saddened home thousands of miles away. One morning a few weeks ago the cashier of Bank of America's main Sacramento office found a postcard on his desk. It was from the boy. He asked that a bouquet of red roses be sent to his mother on Mother's Day, and the cost deducted from his account. It is not difficult to imagine what that "little thing" meant to his mother.

This story prompts the question: Do we civilians appreciate the value of the little things in relation to the war effort? Do we realize what a little thing like a pint of blood can mean to a wounded soldier, how a letter to a boy "out there" can lift his spirits?

Soon the Fifth War Loan drive will be starting. It will call for a huge sum. Would it not be most fair to our brave men in the armed services to deny ourselves some of our little pleasures and extravagances so that we can buy an extra bond? Every little sacrifice we make will help bring victory a little sooner. And then, instead of red roses, millions of sons will be at home to brighten a future Mother's Day.

MEMORIAL DAY

In 1868, General John A. Logan, commander-in-chief of the Grand Army of the Republic, issued an order "that every post of the Grand Army should hold suitable exercises and decorate the graves of their dead comrades with flowers."

That was the first Decoration Day which has since been broadened in its scope to include all the honored dead and is now known as Memorial Day.

On this day we pause to remember with reverence those men who, down through the years, gave their all that America might live and grow in light and liberty.

In the past two and a half years the black scourge of war has planted fields of white crosses at Tawara and Bougainville, at Anzio and Cassino, at Bataan and Corregidor. But the brave men whose earthly remains lie buried beneath those crosses will never die. Their spirit lives on—the spirit of unselfish devotion that inspired their last great sacrifice.

The true observance of Memorial Day lies not in ceremony, speech or song. Rather it lies in the work—the untiring work—and determination of all of us to speed the production of the weapons of victory, to carry forward the task they so bravely supported. It is an occasion for each of us to more earnestly search his own heart for the wisdom and judgment that will enable us to help build a better world.

So Memorial Day is more an occasion for constructive and intelligent thinking than for sorrowing. It is an opportunity to realize with greater clarity that, in the words of Lincoln, "It is for us the living rather to be dedicated . . . to the unfinished work which they who fought . . . have thus far so nobly advanced . . . that we highly resolve that these dead shall not have died in vain."

Visit Navy's Shore Establishments

Members of the California Newspaper Publishers association, to which the Daly City Record belongs, were afforded an intimate glimpse of the Navy's vast shore establishment, Saturday, May 13, when they visited Naval activities in the San Francisco Bay area. Guests of the Office of Naval Officer Procurement the publishers, representing nearly every community from Fresno to Eureka, visited the great Mare Island Navy yard, Hunter's Point drydocks, Oakland Naval hospital, Treasure Island Training center, the Alameda Naval Air station, and the WAVES quarters in San Francisco.

At Mare Island the publishers visited the destroyer and submarine bases and witnessed many types of Naval craft in the process of construction. At the Mare Island hospital, Captain George Mott gave the visitors an interesting lecture, illustrated with motion pictures, on the Navy's long term rehabilitation project through which injured men with artificial limbs are restored to normal civilian life. More than 200 WAVE Hospital corpsmen were on duty at the hospital, each WAVE having released a male corpsman for duty at sea or at advance bases.

At Hunter's Point dry-docks visitors saw at first hand the tremendous expansion which has taken place at these great docks which have been the scene of Naval repair activities since 1863. Here again several score "billets" have been taken over by WAVES.

At the Naval hospital in Oakland, now one of the largest in the country, the visiting publishers saw the great extent to which hospital work is now being performed by members of the Women's Naval Reserve. The work of WAVES at the Oakland hospital ranges from stenographic work to general ward duty and includes duties in the laboratories, physical-therapy, occupational therapy, dental clinic, recreation department, X-ray, photographic laboratory, and surgery. Over 300 male hospital corpsmen are now on foreign duty as a result of these WAVES having taken over their jobs ashore.

The entire group of publishers were guests of Rear-Admiral Hugo W. Osterhaus for luncheon at the officers' mess on Treasure Island where they witnessed a display of swimming and abandonship drill in the pool of the station gymnasium. Nearly 500 WAVES have replaced men at the Treasure Island Training center which has become one of the greatest on the West coast. Duties of the girls range from yeomen through radiomen and various types of specialists, to seamen assigned to general duties.

At Alameda Naval Air station the group of publishers toured the vast assembly and repair shops where more than 7,000 Navy men and women and civilians work around the clock to keep the Navy's planes in fighting trim. Two hundred WAVES rated as ordnancemen, metal-smiths, and machinists' mates work in the assembly and repair shops. The group had an opportunity to meet two of the WAVE machinists mates who were overhauling a plane at the Flight Testing center. More than 400 WAVES assigned to general and aviation duties are attached to the Alameda Air station.

Climax of the day's comprehensive tour was a visit to the Enlisted WAVES Quarters in

RADIOGRAPHY

X-ray technicians nominated by war industries and the armed forces will meet on Stanford university campus, June 12, for an intensive six-day free ESMWT course in "Industrial Radiography."

Instruction in this full-time session will be given by Professors Ladislaus Marton, Paul Kirkpatrick, and O. Cutler Shepard.

Judge Metes Out Two Fines At Court

With several of the cases at city court session, Friday, May 19, continued for another week, Judge William J. Sweeney meted out only two fines during the afternoon.

Reckless driving cost George John Ruppert jr., 2922, One Hundred Seventh avenue, Oakland, $25, while Elmer Bathke, a street car motorman, 967 Hudson avenue, San Francisco, paid $2.50 for disregarding a signal.

ON VACATION

Mr. and Mrs. R. E. Bennett, proprietors of Reb's Upholstery shop, 26-28 Hillcrest drive, left Daly City, this week, for a vacation at Bakersfield, California. They will return, June 5. While at Bakersfield they will visit Mrs. Bennett's mother.

Set Ceiling Prices For White Potatoes

Ceiling prices for 1944 early white potatoes, which will result in a rollback of at least 25 per cent over the present going prices for new potatoes, were announced, May 20, by the San Francisco District Office of Price Administration.

The prices, which will vary slightly during the season, will be approximately 50c per 100 pound sack less than prices now being charged for old potatoes.

Effective May 22, the price throughout California until June 1 is $2.60 per 100 pounds, and $2.40 through the month of June.

Heretofore prices on new potatoes have been uncontrolled.

San Francisco OPA district includes San Mateo county.

Give Surprise Farewell Party For Tulio Picchi

A surprise party was given at the home of Miss Doris Vernengo, 398 Bellevue avenue, Friday, May 5, for Tulio Picchi, who left for the Navy, Saturday, May 20.

Tulio's schoolmates were present and Miss Nadine McDonnell was hostess.

A beautiful cake with "Best of Luck, Tulio, from the Gang" was served along with other refreshments.

As a going away gift Tulio was presented with a leather utility kit.

READING & WRITING

BY Edwin Seaver AND Robin McKown

ONE more indication of the present trend to religious novels comes with the selection of Sholem Asch's "The Apostle," a novel based on the life of St. Paul, as a dividend of the Book-of-the-Month Club.

SHOLEM ASCH

This is the book which Pierre van Paassen recently called a "*tour de force* of the imagination perhaps unequalled in modern literature . . . an almost miraculous performance in itself over which is diffused a solemn and great beauty."

Saul of Taurus, as the Apostle was first known, was by trade a weaver. On the road to Damascus, he saw a blinding vision, which converted him to Christianity. He wrote many of his great Epistles in a prison in Rome before he was beheaded as a heretic on the order of Nero. But he left his mark on the centuries to come. "He, more than any other," writes Mr. van Paassen, "must be considered the architect of that grandiose and divine cultural institution known as the Christian Church, which has molded the life and thought of half the civilized world."

Sholem Asch, who was born in Poland of poor parents and who obtained his American citizenship in 1920, has been recognized for some years as a master story-teller. His immensely popular "The Nazarene" was also a Book-of-the-Month Club choice. Before that there was his famous trilogy, "Three Cities," and his play, "The God of Vengeance," played first in Berlin, then in Paris, London and New York, which aroused wide controversy because of its strong realism and which brought him international success.

Ernie Pyle, in his book, "Ernie Pyle in England," says that he heard so many tales of freak bombings that he thought he could believe anything. Here's one, however, that even he had to take with a grain of salt. A gentle lady of culture and means was sitting in front of a fireplace on the ground floor of her home one evening. Her housemaid, having finished her work, was sitting in her little attic bedroom on the fourth floor. A bomb came through the roof, plunged through four successive stories and exploded in the basement. When it was all over the gentle lady was sitting in her maid's attic rocking-chair and the maid was sitting downstairs in front of the fireplace. Both were unhurt, of course. And both quite unruffled.

Mr. Pyle heard this one in Scotland. It seems that one Scotsman was telling another about being in a movie theater when some German raiders came over. The manager, he said, stopped the film, went onto the stage, and announced, "The sireens has went." It was now time for the other Scotsman to laugh, but he didn't. He studied it over for a long time, then finally chuckled and said, "I suppose the joke of it was that the sireens hadna' went?"

Legion Auxiliary To Sell Poppies

Friday, May 26, and Saturday, May 27, will be "Poppy Days" in Daly City for Daly City Unit No. 410, American Legion auxiliary. On these dates members of the unit, under the chairmanship of Mrs. Margaret Kenny, will offer the poppies for sale on the streets of this community.

Proceeds realized from the sale of the bright paper flowers go to aid in the Legion's welfare work for the wounded veterans of both World Wars. The auxiliary will appreciate support of the annual poppy sale.

Tuesday, May 30, the local auxiliary will have its colors at the memorial services to be held in Golden Gate National cemetery. All members and the general public are invited to attend.

Plan are under way for the auxiliary to give a whist party in June. Date and details will be announced shortly.

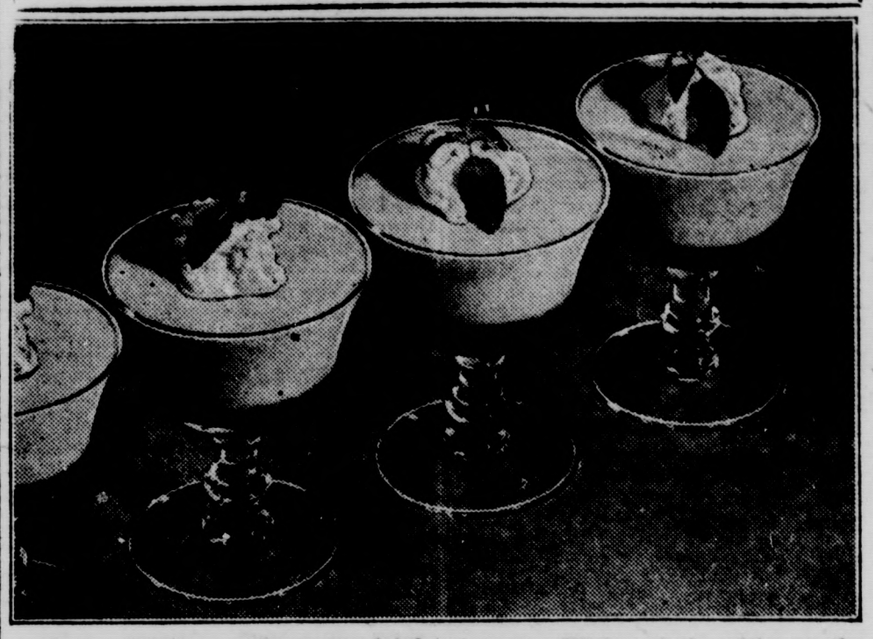

Disaster Plan Will Be Maintained

Although Daly City's Civilian War Council has not been holding regular meetings, Arthur J. Bodien, director, pointed out that the civilian defense setup of the city has not been abolished. Many features may be redrafted to meet new conditions but some sort of a permanent emergency and disaster plan will be maintained. All volunteers are asked to stand by and to continue their interest in community protection.

Governor Earl Warren pointed out in a recent report that civilian defense is an outmoded term. The emphasis should be upon readiness for any kind of emergency or disaster, now or after the war, he stated.

Before Daly City ever had a civilian defense plan it had organized a Disaster Preparedness committee and hence will be in an advantageous position to shift to the new role for local war councils, Bodien explained.

Children Will EAT Milk

Many children refuse to drink milk, and thus become real problems to their parents.

Why not let them EAT milk? Few children refuse ice cream, rennet-custards, or other light milk desserts. Most of them like frizzled beef, escalloped potatoes and similar main-course dishes containing liberal quantities of milk. Even the most obstinate child so far as milk is concerned, will EAT several of these milk dishes.

Especially does this apply to dessert — a course no child will refuse. He may push aside his glass of milk. He may even refuse escalloped potatoes. But place a dish of rennet-custard on his plate and he will not only EAT his milk but clamor for more. Really, there's no problem at all.

Here is a mint-flavored, milk dessert recipe for your early consideration:

Mint Rennet-Custard
½ cup mint jelly
2 cups milk, not canned
1 package orange rennet powder
Whipped cream (or other light topping)
Fresh mint
Set out 4 or 5 individual dessert glasses. With a fork, whip up the mint jelly; then drop a portion into the bottom of each dessert glass. Warm milk slowly, stirring constantly. Test a drop on inside of wrist frequently. When COMFORTABLY WARM (110° F.) not hot, remove at once from heat. Add rennet powder and stir quickly until dissolved — not more than 1 minute. Pour quickly, while still liquid, into individual glasses. Do not move until firm — about 10 minutes. Chill.

Just before serving, garnish each rennet-custard with a puff of whipped cream and a sprig of fresh mint. Makes 4 or 5 servings.

If no mint is obtainable, or if mint is not relished, use a cherry, strawberry, slice of peach or any other seasonable topping.

If heavy cream is unobtainable for your whipped cream, try beating one cup chilled light cream with two tablespoons powdered sugar until frothy. Add 3 to 4 teaspoons lemon juice, and beat until stiff. It is best to make this just before serving. One-half the above quantities will probably give you enough whipped cream for this particular dessert.

Brownie Scouts Finish Projects

Members of Brownie Scouts No. 7 have accomplished several projects since March—doll favors for the Girl Scouts, knitted wash cloths for their mothers, three large scrapbooks for children at one of the hospitals, and key-and-ring holders for their Mother's Day gifts.

Mrs. P. J. Becker is leader and assistants are Mrs. Marie Pool and Mrs. Cecelia Hale.

The group meets every Wednesday at 3 p. m.

Hold Funeral Services For John Giandeini

John Giandeini, resident of this community for the past four years, passed away, May 23, in Redwood City. Funeral services will be held, Friday, May 26, 9 a. m. from the mortuary of W. C. Lasswell and company. A requiem mass will be celebrated at Our Lady of Perpetual Help church at 9:30 a. m. and interment will be at Holy Cross cemetery. Rosary was recited at the mortuary, this evening, May 25.

Surviving are his sisters, Mrs. Erminia Rosselli, Mrs. Pauline DeFanti, Daly City, and Mrs. Elvezia DeFanti.

Giandeini, who was 37 at the time of his death, resided at 114 Evergreen avenue.

Avoid Being a Vitamin Killer!

PRACTICE PROTECTIVE COOKING

When you eat right, you feel right. There is no question about that. The first half of eating begins with planning your meals for health giving qualities. A good guide to follow is the 7 Basic Foods chart recommended by national nutrition authorities. The second half of proper eating and the most important...is protective cooking. That means cooking foods, especially vegetables, in as little water as possible and for as short a time as possible. The reason is this. Most vitamins do not like to be drowned in lots of water or be smothered by prolonged heat exposure. There is a tummy-yum-yum flavor to all foods when the natural vitamins and minerals have been retained by the proper cooking. A taste-test will convince you. Try it!

COUNCIL

(Continued from Page 1)

shortly be going overseas with the armed forces. Councilman Edward Dennis made the motion that the extra two weeks be granted. It was unanimously passed.

The poundmaster's report for the month was read.

Under committee reports, Councilman Eugene V. Lynch, head of the police committee, announced that the report submitted by the Five Townships Club of San Mateo county would be taken up by the council at some future date, when the new board of review for Daly City civil service matters had been officially seated and when civil service rules and regulations had been adopted. Both the adoption of rules and regulations and the seating of the board of review are to take place at the next regular council meeting, Monday, June 12, according to Mayor A. J. Gaggero.

At the last regular meeting, upon motion of Councilman Meritt, the following were appointed to the board of review: Oliver J. Nolte, 325 Knowles avenue; Emery E. Rowley, 19 West Cavour street; Thomas Whalen, 104 Acton street.

Under new business, the council accepted the gift of an ambulance from J. W. Marchbank to the city. Councilman McHugh made the motion that the ambulance be accepted and that a letter of thanks be sent to Marchbank. The ambulance had already been in service for a number of weeks as it was first lent to the city when the critical lack of such protection was pointed out in the columns of the Daly City Record. Later, the donor made it an outright gift.

Claims were read and ordered paid, and Councilman McHugh made a motion to adjourn the session.

Present were Councilmen Meritt, Lynch, McHugh, Dennis and Mayor Gaggero, City Attorney F. E. Hoffmann, City Clerk B. C. Ross, City Engineer R. A. Klassen, Chief of Police James G. Reardon, Building Inspector Arthur J. Bodien, Deputy Health Officer Fred Collins, and a large throng of spectators who inexplicably crowded the council chambers.

Candidates Thank Public For Support

The following letters of thanks were received, this week, by The Record from candidates in the school trustee elections, May 19:

From Remi Sanders

"I want to thank the voters of Jefferson Union High School district for the fine vote of confidence they gave me last Friday.

"In cooperation with the other members of the board of education, I will strive to keep Jefferson Union high school on the high standard we have already set."

G. R. Augustien

"To the friends who supported me in the elementary school election held, last Friday, my sincere thanks.

"It is encouraging to know that you are interested in keeping your schools on a safe and sound basis."

Mrs. Hazel Marsh

"I wish to thank all who supported my candidacy for trustee of Jefferson Elementary School district, in the recent campaign.

"The high vote accorded me was very gratifying, although I did not win."

CALLING ALL GAS MASKS!

Arthur J. Bodien, today, issued an urgent appeal for all gas masks which have been issued to volunteers in Daly City. The State Council of Civilian Defense has requested that he round up all of these for immediate use by the armed forces.

It is hoped that by Friday, May 26, the majority of masks issued to Daly City residents will be returned to the city hall C. D. headquarters, 75 Wellington avenue.

Bodien asked that each person turning back a mask attach his name to it.

Immediate cooperation is urged!

through the hole and onto the door bar. At Miss Redkey's approach the culprit fled on a black bike with a yellow rear wheel. To date the guilty party had not been apprehended.

Saturday, May 20, at 2:30 p. m., Officer George Hopman answered a call from 207 Hillcrest drive where the resident had found 2 1-2-year-old Mary Sumner, evidently lost. The officer took her to her home at 428 San Diego avenue.

The younger set seemed to be feeling belligerent, last week. May 18 at 12:03 p. m. two teenage boys got into a fight at West Cavour and Bruno avenue which called for the attention of Officer Hopman, who reprimanded them. May 19 at 5:05 p. m. Deskman William P. Bolger found two girls in a fist fight on Mission street. He brought them to police headquarters and gave them a stern reprimand.

When the steward from Alemany Emergency hospital called, May 19, at 9:05 p. m. Officer George Savage, Dean A. Wood and Archie Banfield responded. They found that William McLaughlin, 180 Irvington street, was seriously ill and they rushed him to Community hospital at San Mateo in the Daly City ambulance.

May 20 at 7:05 p. m. Mrs. Winn, 31 Vendome avenue, called the police department to report that Norma Dean had a twisted arm and needed aid. Officer Savage took her to Alemany Emergency hospital and later to Community hospital in the police car.

EMYDIAN INSTITUTE

Emydian Institute No. 154, Y. L. I., will be paid an official visit by District Deputy Miss Martha Douglas, Friday evening, May 26, at Holy Angels hall, San Pedro road. Chairman of the evening's program, which will begin at 8 p. m., is Mrs. Eda Giusti.

During the social period which follows the meeting, refreshments will be served. The occasion will also honor members whose birthdays occur in April or May.

GET INCREASE

Dealers who handle rationed stoves will have a 50 per cent increase in their allowable inventory of coal or wood cooking stoves after May 26, 1944, Paul I. Nederman, district rationing executive for the Office of Price Administration, announced today.

Nederman stated, "The OPA is glad to announce this increase in allowable inventories, but it should be emphasized that the increase applies only to coal or wood cooking stoves. The allowable inventory for all other types of rationed stoves remains unchanged."

Pack-A-Ree Proves Very Successful

"A splendid success"—that's the description for the day-long Pack-A-Ree held at Marchbank park, Saturday, May 20, by Cub Pack No. 141. With a Chinese Cub Pack from San Francisco as guests of honor, the local Cubs were hosts to dozens of Daly City children and adults at the event. One of the chief attractions was the Aero-whiz.

Winner of the Cub-of-the-Day contest was Charles Johnson.

Cubmaster Joseph Straughan wishes to thank the public, and especially the parents of the Cubs, for their cooperation.

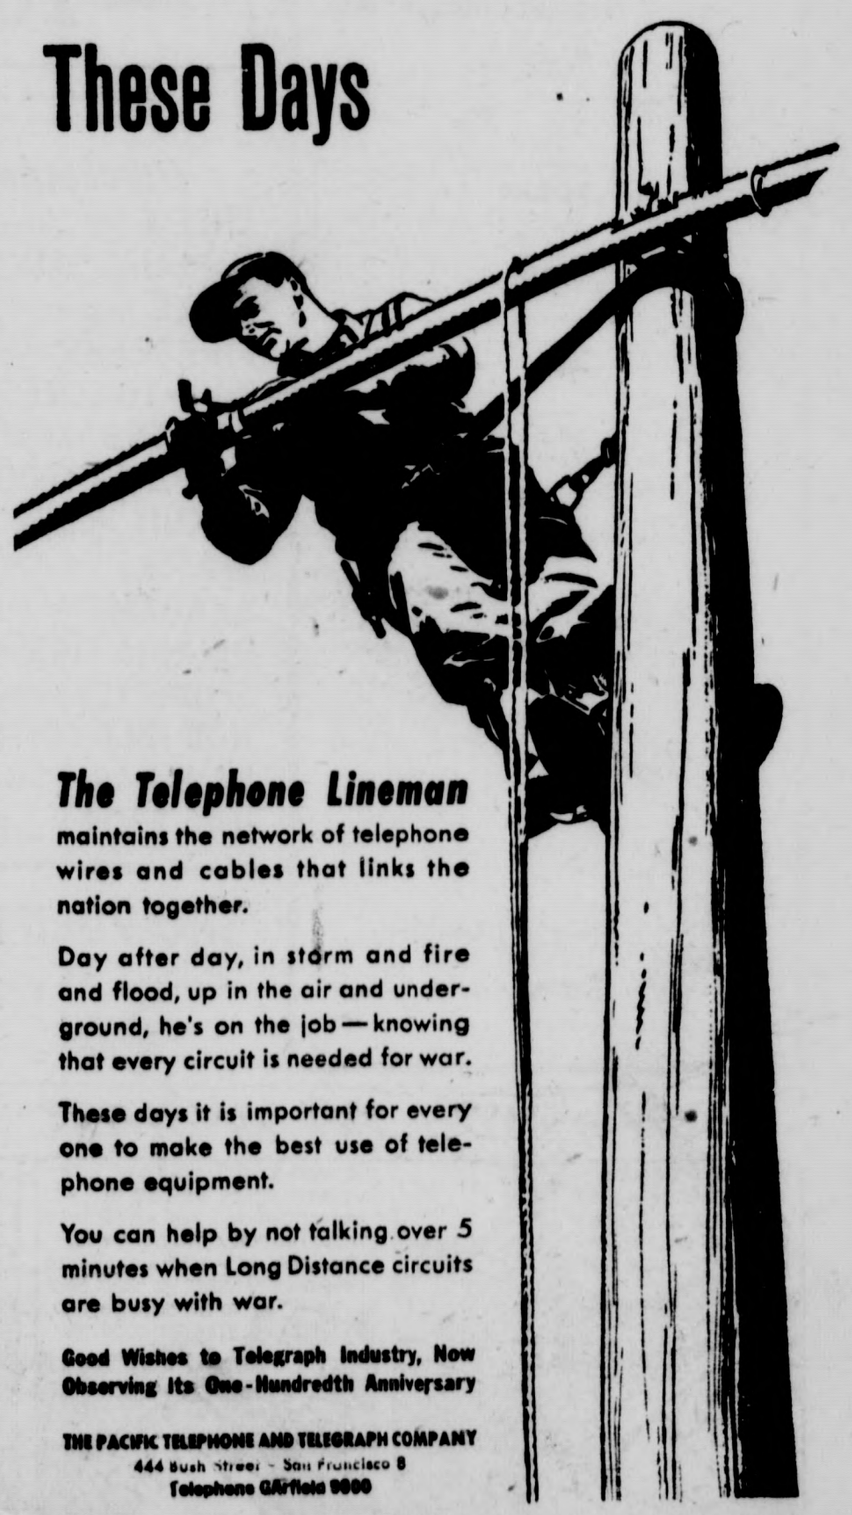

Next project for the Cub Pack will be summer camp.

BE A BLOOD DONOR
SAVE A LIFE

Julia gives Her favorite sandwich ideas

SANDWICHES have so many uses, these days—and they're used so *often*—sometimes it's a problem to make them interesting and appetizing. I'm a constant sandwich-maker, myself. And over a period of time I've developed quite a set of favorite ideas. I've jotted down some of them here:

Generally speaking, I think it's important to vary the *kinds of bread* used, and to *cut* the sandwiches in different ways! It's appetizing to see even the same old sandwich *look* different, for a change.

***BIG BUN!** Slice twice, with deviled egg mixture for one filling, cheese spread and lettuce for the other.*

FILLINGS

There's hardly any limit to the number of tasty and nutritious sandwich fillings, as witness these favorites:

Grind hard cheese and mix it with salad dressing (this "extends" the cheese, incidentally).

Mix fruit preserves with cream cheese.

Put peanut butter and jelly or leftover cake frosting between graham crackers.

Grind equal amount of raw carrots and salted peanuts together, and moisten well with salad dressing.

Put peanuts or walnut meats on lettuce, cover with salad dressing, and add a top layer of lettuce.

Mix ground meat with salad dressing for a binder, make sandwich, dip whole sandwich in egg, fry in a heavy pan.

Mash baked beans and mix with pickles or sliced onions and catsup.

Mix chopped nut meats or raisins with marmalade or jelly.

UP IN DENVER

A hearty Denver sandwich is one of my hungry-time favorites: Cook bits of chopped ham or bacon; add green pepper and onion, and salt and pepper; mix in one beaten egg, and cook omelet-style in an individual frying pan; make sandwich with toasted bread or bun.

And one of my favorite double-decker sandwiches has cole slaw on the bottom layer and a bologna-type meat on the upper layer.

"ROLL-YOUR-OWN" picnic basket!

FOR PICNICS, TEAS

Suggestion for picnic-planners: instead of making the sandwiches before starting out, take along all the "makings" in a picnic basket and let each picnicker make his own—tastes better that way!

Suggestion for a tea sandwich: cut bread in circles, cover with nasturtium leaves, then a ring of thin-sliced cucumbers; add a dash of salad dressing in the center, with a sprig of parsley or a spot of paprika.

BROWN POINTS FOR WASTE FATS

For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she receives two meat points and 4c a pound.

Some Vegetables Point-Free

Tomatoes, corn, asparagus, beets, leafy greens, spinach, blackeye peas, and garbanzo beans have been added to the point-free list of processed foods through June 30, the Office of Price Administration has announced. Points have been reduced on spaghetti sauce; soups, grape and tomato jams and preserves; apple, grape, mint and plum jellies; bakers' jellies and fruit butters. Points have been increased on cranberries and cranberry sauce; tomato juice in large containers; canned or bottled dry varieties of beans (excluding soy, blackeye and garbanzos); tomato catsup and chili sauce; raspberry and strawberry jams and preserves. Reductions were made to move out last year's stocks before new supplies are available in great volume.

Butter Point Value Reduced

The ration point value of creamery butter has been reduced from 16 to 12 red points a pound, the OPA has announced. Margarine has been lowered from 6 to 2 points per pound. The new values are effective through June 3, 1944.

Delicious Decoration Day Diners

By BETTY BARCLAY

Whether you dine in or out, have a Memorial Day party, a picnic, or a "family" meal after the big parade — one or more of the following recipe suggestions may prove helpful. You'll find them all easy on the ration stamps as well as the pocketbook!

Grape Sherbet

1 rennet tablet
1 tablespoon cold water
2 cups milk (not canned)
½ cup sugar
Several drops red food color
¼ cup grape juice
2 teaspoons lemon juice

Dissolve rennet tablet by crushing in cold water. Warm milk, sugar and food color slowly, stirring constantly. Test a drop on inside of wrist frequently. When COMFORTABLY WARM (110° F.) not hot, remove at once from heat. Add dissolved rennet tablet and stir quickly for a few seconds only. Pour at once, while still liquid, into refrigerator tray. Let stand at room temperature until set — about 10 minutes. Place in freezing compartment. Freeze until firm. Remove from tray to a bowl, break up with a fork, beat with egg beater until free from hard lumps but still a thick mush. Add grape and lemon juices and beat quickly into the mixture. Finish freezing.

White Gold Salad

1 cup grated raw parsnips
⅔ cup orange sections
½ cup shredded tart apple
½ cup mayonnaise
2 tablespoons lemon juice

Combine the peeled, grated raw parsnip, orange and apple; chill. Add lemon juice and mayonnaise to the parsnip mixture and just before serving; mix well. Serves 6.

Bran Flakes Muffins

¾ cup sifted flour
3 tablespoons double-acting baking powder
¼ teaspoon salt
2 tablespoons sugar
1 egg, well beaten
¾ cup milk
3 tablespoons melted shortening
1½ cups 40% bran flakes

Sift flour once, measure, add baking powder, salt, and sugar, and sift again. Combine egg, milk, and shortening; add to flour mixture and mix only enough to dampen all flour. Add flakes. Fill greased muffin pans ⅔ full. Bake in hot oven (425° F.) 15 minutes, or until done. Makes 14 medium muffins.

Bran Molasses Muffins: Substitute ¼ cup molasses for 2 tablespoons sugar in above recipe; decrease milk to ⅔ cup.

Note: These muffins are delicious in place of bread with well-seasoned cottage cheese or with jelly or softened peanut butter for lunch boxes or picnic lunches. Left over muffins may be split and toasted; serve hot for breakfast or as a salad or soup accompaniment.

Macaroons

2 egg whites
½ cup sugar
1 cup Grape-Nuts Flakes
¼ cup nut meats, finely cut
½ teaspoon vanilla

Beat egg whites until foamy throughout. Add sugar, 2 tablespoons at a time, beating after each addition until sugar is thoroughly blended. After all sugar is added, continue beating until mixture will stand in peaks. Fold in flakes and nuts, then vanilla. Drop from teaspoon on greased baking sheets. Bake in very slow oven (275° F.) 20 minutes. Makes 2 dozen 1-inch macaroons.

Creamy Iced Mocha

Even without cream you can serve a deliciously creamy iced coffee. Make it with decaffeinated coffee, so that everybody can relax taut nerves over friendly extra cups and sleep soundly later on. Here's the trick: Just freeze decaffeinated coffee in the ice cube trays. Heat milk without bringing it to a boil. Fill glasses with the frozen decaffeinated coffee cubes and then pour on the warm milk. You'll have a rich, creamy coffee beverage that everybody will enjoy. Remember that decaffeinated coffee needs to be percolated 15 to 18 minutes to bring out its rich coffee flavor.

Welfare Group Cites Need For Radios, Razors

Hundreds of razors and hundreds of radios are needed in the U. S. Naval hospitals at Oakland and Shoemaker in Alameda county, it was announced today by Service Hospitals Welfare Inc., central committee of groups of organizations participating in service hospital welfare work in Northern California.

Besides radios in need of repair will be put in good condition by a special committee of Pacific Bridge workers, it was announced. Service Hospitals Welfare Inc. offers to pay express charges from any part of California to its offices at 200 Grand avenue, Oakland.

Court St. Mary Selects New Officers

Court St. Mary No. 1155, C. D. A., has selected officers for the new term. Election was held, Thursday, May 18. Those chosen were Mrs. Helen Rode, grand regent; Mrs. Catherine Salisbury, vice-regent; Mrs. Helen McDonough, prophetess; Mrs. Christine Stevenson, lecturer; Mrs. Evelyn Weckerle, historian; Mrs. Grace Bacigalupi, financial secretary; Mrs. Christine Michelson, treasurer; Mrs. Frances Tamony, monitor; Mrs. Virginia Rengstorff, sentinel; Mrs. Hattie Kelly, organist; Mrs. Louise Segale and Mrs. Albina Restani, trustees to serve three years.

After the election, Thursday evening, all members adjourned to the banquet room where tasty refreshments were served them under the chairmanship of Mrs. Katherine McDermott. A ring bag game was played and the evening closed with the singing of "The Bells of St. Mary" in honor of the outgoing and incoming officers.

The court announces a public whist party for Thursday, June 1, 8:30 p. m. at Masonic hall, 17 Hillcrest drive. The committee assures everyone of a pleasant evening. A short business meeting for members will precede the whist, at 7:30.

Native Daughters Honor Mothers At Party

Members of El Carmelo Parlor No. 181, Native Daughters of the Golden West, honored their mothers at a social following their meeting, last Wednesday night.

Twenty-three mothers were entertained by their daughters, the chief feature being a "Mock Wedding," which "brought down the house." In the cast were Mrs. Marge Baker, Mrs. Florence Becker, Miss Adele Wood, Mrs. Kate Wight, Mrs. Irene Littlewood, Miss Marge Steele, and Mrs. Judy Wilson. Mrs. Helen Meyer entertained with several accordion solos. Everyone joined in singing old fashioned songs, with Mrs. Betty Czerwinski and Miss Irma Herader accompanying at the piano.

Dainty refreshments were served and gifts presented to the mothers. Mrs. Hattie Kelly served as chairman of the evening.

At the business meeting, Mrs. Kelly, Miss Margaret Steele and Mrs. Christine Hulme were elected as delegates to the fifty-eighth grand parlor of the Native Daughters to be held at San Jose, June 12, 13, and 14. The parlor endorsed the candidacy of Grand Outside Sentinel Mrs. Dorothy Donofrio for the office of grand inside sentinel.

Four From Woodrow At Dist. Installation

Four members of Woodrow Wilson P. T. A. attended the installation of officers for Seventeenth district held in Burlingame, Thursday, May 18. They were Mrs. Hazel Marsh, Mrs. Florence Hopman, Mrs. Wilma Harju, and Mrs. A. Widasky.

Members of Woodrow Wilson P. T. A. are proud to be members of the national organization of Parents and Teachers which reports that it has doubled its membership in the past year by one half million. The local unit has upheld the example set by the national organization by more than doubling its own membership in the past year. In the country as a whole there are now over three million men and women in P. T. A.

Bethel No. 26, OJD Will Meet, May 26

Bethel No. 26, Order of Job's Daughters, will hold a meeting, Friday, May 26, in Mission Masonic temple, 2668 Mission street. The main purpose of the meeting will be to elect the officers for the coming six months.

Entertainment and refreshments will follow the meeting.

MUSICAL QUIZ

In order to try for the goal of 100 per cent in the sale of stamps for the month of May, a musical quiz was put on in an assembly Friday, May 19, sponsored by the California Scholarship Federation.

The program proved to be a success, and a great many of the students enjoyed themselves.

Contestants for the program were Inez Chelone, Bob Cole, Augusta Cattaneo, and Eddie Gigli. Final winners were Augusta Cattaneo and Inez Chelone.

The band played three numbers including "5 O'Clock Drag," "Milkman Keep Those Bottles Quiet," and 1 O'Clock Jump."

Bob Olson was the announcer and Lois Rich, "Tiny" Clement, Wilbur Fellows, Walter Shannon, and John Harville were the judges.

If the contestant failed to answer the questions asked the students were given a chance to show their "smartness."

During that week of May 15-19 Norma Moore, Donna McCoy, Esther Hukari, Verna Moresco, Betty Pistohl, and Betty Whiteley, members of the C. S. F., sold stamps during the mornings, and both lunch periods.

Darn Your Sock, Sir?

The girls of the home economics class displayed how well they could darn socks with a display on the bulletin board, last week. Included were socks with big holes and little holes neatly darned by the girls. June Clarke, Audrey Kusber, Doris Hahn, Virginia Pendola, Anna May Lowry, Rozelpha Oberg, and Evelyn Foulkes did the darning.

Another display on the board included knitting done by the girls of the home economics classes. Josephine Rivas, Doris Hahn, Frances Vaughn, Gloria Bacigalupi, and Daisy Yonan were the girls who knitted afghan squares, foot and hand stump covers.

VISITORS

Visitors at Jefferson last week were: Lieutenant Richard Millet, back from overseas duty; Aviation Cadet Allen Rigler, Navy; Tom Beeson, Navy; and Ralph Capps, Navy.

BONDS 'N STAMPS

For the remainder of May and during June different classes are planning assemblies to boost the sale of stamps. The purpose is to make the sales 100 per cent during May and June.

For May 29 the seniors are scheduled to give their program. June 5, the juniors will show how good they are. June 9 is the date for the freshman program. Then, June 14, the sophomores will present their program.

The admission will be by stamps.

Last week, May 15 to 19, over $150 in stamps, which is a record for the sale of stamps, was achieved.

SENIOR NEWS

"Which one do you like? No, that one is no good." That was the argument last week when the seniors received their graduation pictures.

The seniors took four poses, two with hats and two without.

GYM

Basketball has been in full swing the last few weeks, and this week G. P. A. L. basketball was scheduled to begin.

Muriel Greene is to be congratulated on passing her beginner's swimming test.

CAN YOU BEAT IT?

Winifred "Winnie" Grant, popular sophomore, is, so far, the only one to swim the length of the pool under water. The length is 75 feet. Can anyone beat that?

GIRLS' BLOCK "J"

Vivian Thorsen, president of the girls' block "J" has announced that in the latter part of May or the first of June an initiation will be held for the new members.

Those being initiated are Beverly "Tiny" Clement, Alice Godfrey, Frances Vaughn, and Colleen Robin.

EXECUTIVE

The regular meeting of the executive board was called to order, May 16 at 8 a. m. by Deloris Thomas, vice-president.

The minutes were read and stood approved as read. The exchange assembly with Burlingame has been canceled, due to lack of transportation.

New business: petitions for the election of officers for the next term are to be turned in during the first week of June.

Because Helen Capps, judge of the Jefferson student court, is leaving, she suggested that the board appoint someone to fill her office of judge for the remainder of the term.

News From District Grammar Schools

AT CROCKER

During their social studies unit Room 4 was shown a film "Life of George Washington—Winning Independence." This portrayed the various battles of the Revolutionary war and the signing of the Declaration of Independence.

Last week the pupils of Room 3 enjoyed an interesting film, "Dairy Cattle." This showed the various types of cattle.

Evelyn Madriago, Room 2, spent the week-end with relatives in San Jose.

Fred Bricker, Room 6, together with Cecil Valverde, visited Leo Bricker at the Community hospital in San Mateo, Sunday. Fred was happy to report that his brother, who was seriously injured, is improving rapidly and expects to come home within a few days.

AT WOODROW

Excitement ran high at the Woodrow Wilson elementary school as the pupils from all rooms were competing in the tin drive. The graduating class was leading. They had already collected, weighed and cartoned over 2600 pounds of tin.

The students of Room 8 have undertaken the study of the Industrial Revolution. An outline was made by the students which contained the subjects that they thought should be studied in connection with this unit. Some of them were labor unions, corporations, mail order houses, transportation and its importance in industry.

A film entitled "The Benefactor" was recently viewed by the pupils of Room 4.

As a climax to its unit of work, "Farming Through the Ages," Room 9 searched and found material pertaining to Luther Burbank. Pupils made written and oral reports about this famous scientist.

The children of the low and high fifth spent last week learning how the cavemen could tell when it was time to do things, such as hunting, meeting others, eating, or coming home. The sun played a very important part in their lives.

The pupils of Room 12 are reading and studying how the government has changed ways of living on the farm, life of the Indians, and use of natural resources. The chairmen this week are Loretta De Bello, Claget Shulda, and Lillian Martini.

The classroom border was made by a student, Bernardo Merino.

The pupils of Room 14 are starting on their new unit, "A California Fruit Market." They are learning about the products of California and the reasons for the wide variety of productivity in this state.

AT JEFFERSON

The recent primary election day gave the children of the eighth grade an excellent opportunity to observe some phases of their social studies unit called "Citizenship and Democracy." The class was shown sample ballots and the method of marking them; the proposed amendment to the State Constitution was also shown.

Many of the children had never seen a sample ballot. They were greatly interested in knowing how citizens registered their preferences for candidates to the National convention where the presidential candidates will be chosen.

Some of the arguments for and against the proposed amendment were read and discussed by the class. All of the children in the class took part in the discussion.

As part of their work in the new cultural unit, this week, the seventh grade children learned about the life stories and paintings of two of the greatest artists the world has ever known, Raffaello and Leonardo De Vinci. The teacher brought a number of reproductions of the most famous works of these two Italian artists. Among them were 'Madonna of the Chair' by Raffaello, and the 'Mona Lisa,' 'Head of St. Ann,' and 'The Last Supper' by Leonardo De Vinci. Legends and stories as to how and why these pictures were painted were presented to the class as they viewed the pictures.

Mary Louise Steinke in the fourth grade and her sister Emily are transferring from Jefferson, this week, to a school in Southern California. George Riccomi who has been out of school several days for a tonsillectomy, is recovering nicely and will be back in school shortly.

Mrs. Hazel Vigna Hostess At Shower

Mrs. Hazel Vigna, 487 Templeton avenue, was hostess at a baby shower in honor of Mrs. Lillian Anderson, 180 Sears street, May 10. Mrs. Vigna and a number of her co-workers at the Atwater exchange of the Pacific Telephone and Telegraph company, where Mrs. Anderson was formerly employed, had purchased a beautiful layette.

The table was beautifully decorated for the party at Mrs. Vigna's home in pink and white by Mrs. Dollie Jackson and Mrs. Alice Ullrich.

Those present were Miss Muriel Mooney, Miss Mamie Flanagan, Mrs. Ruth Roberts, Mrs. Irene Muller, Mrs. Claire O'Reilly, Mrs. Helen Tobelman, Mrs. Leona Smith, Mrs. Francis Sherwood, Mrs. Blanche Grolimund, Mrs. Mildred Binello, Mrs. Dollie Jackson, Mrs. Alice Ullrich, Mrs. Lillian Anderson, and Mrs. Hazel Vigna.

The party had been planned as a surprise for Mrs. Anderson, who received other lovely gifts in addition to the layette.

Troop 4 Girl Scouts Camp Out

A group from Girl Scout Troop 4 enjoyed an over-night camp, Friday evening, May 19. The camp was held in the Colma Willows at the home of Mrs. Pauline Shinazy. The girls who attended the camp were: Lois Rentsch, Hazel King, Norma Moore, Dorothy Hacker, Barbara Winters, and June Lemon.

All arrangements, planning of menus and equipment necessary for the trip were handled by the girls and proved to be complete in detail. Mrs. Lucille Lemon, their leader, who accompanied them, reports that their outdoor cooking would have done credit to an adult. Lois Rentsch and June Lemon took charge of the evening meal; Hazel King and Dorothy Hacker rose at 6 a. m. sharp, Saturday morning, to prepare a big breakfast for the hungry campers; Barbara Winters and Norma Moore cooked the Saturday lunch, which the girls called "the best meal of all."

After the evening meal, Friday, the group took a hike out to Thornton Beach returning at 8:30 to build a camp-fire. When they returned they were pleasantly surprised by being given a large bag of warm, home-made doughnuts and candy bars for everyone, gifts from Mrs. Chaine and George Shinazy, mother and nephew of Mrs. Lemon. The doughnuts and candy bars were enjoyed between songs around the camp-fire until it was time to join hands and sing "Taps."

The girls broke camp and were back to their homes by 1:30 Saturday afternoon. As Troop 4 is working on the Foot Traveler and Out-door Cook Badge, the overnight outing helped the girls pass many of the tests required to complete these badges.

Navy Tour

(Continued from Page 4)

San Francisco. Located in the commodious former club-house of the Western Women's club, these quarters provide a modern home for more than 700 WAVES stationed in the San Francisco area. The quarters, reputed to be one of the finest provided for members of the Women's Services anywhere in the United States, provides all facilities ranging from a swimming pool to a ship's service store under one roof.

Representing one of the largest concentrations of Naval strength anywhere in the world, the Naval establishment in the San Francisco Bay area, which was visited in part by the California Newspaper Publishers association, May 13, has over 3500 WAVES now on duty in its various activities. With the Pacific war increasing in tempo and placing greater burdens on the West coast, it is expected that the number of Women Reservists assigned to take over Navy jobs ashore in Northern California will be increased by several thousand by the end of 1944.

Schedule Two Baseball Games

Daly City boys participating in the Saturday recreation program at Marchbank park, last week, made a clean sweep of the three games scheduled for the day. They won from Amazon, 6 to 1; beat McLaren Park, 4 to 2; and finished with a 14-4 win over Holy Angels church of Colma. Director Charles Norry reports another day of banner attendance at the park.

In the Sunday morning game, May 21, the Daly City Juniors lost a contest with a boys' team from Oakland, 2 to 0, and in the afternoon feature, the Longshoremen beat Simmons company with a score of 14 to 7.

The Juniors are scheduled to meet Milton Motors in the 11 a. m. game, Sunday, May 28, while two service teams are matched at 2:30 p. m. They are the San Francisco Marines, and the Armed Guard Center, both from the Treasure Island Navy base.

Ask Retired, Married Nurses To Resume Work

An appeal to married and retired nurses is being made by the San Mateo County Red Cross Recruitment committee which has just been informed of an acute shortage of nurses now existing in local hospitals. This shortage will necessarily grow worse as nurses answer the call of the War Man Power Board to serve with the armed forces.

A recruit survey made by the Procurement and Assignment committee of the War Man Power board shows many nurses in the county who are eligible for military service. These nurses have been notified to report to their nearest Red Cross office for clearance as quickly as possible.

Any nurse who can arrange to work whole or part time is asked to call at once the Nurse Recruitment office, 1304 Howard avenue, Burlingame or phone 34561 stating where and when available.

CHRISTMAS

Christmas may seem a long way off now but to the volunteers at the **Red Cross Salvage shop** the festive holiday season is an ever-present thought. In order to have games, dolls and toys, especially mechanical pieces, ready for the Christmas rush it is necessary to receive all objects early enough to reclaim them.

All juvenile recreation articles are sought although not in perfect condition, since the shop is equipped to mend and repair broken and discarded objects.

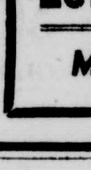

Articles may be turned in at 532 Sutter street, or arrangements can be made to pick up objects by telephoning the Salvage shop, GArfield 5250.

Install Turnstiles

Turnstiles have been installed in San Francisco's big **Bay Bridge terminal** for transbay buses and trains.

Reminiscent of the old system at the Ferry building before Bay bridge travel, persons arriving from and leaving for East bay points drop their tickets in the San Francisco terminal choppers.

The Key system, which installed the turnstiles, says they will aid conductors who have missed too many fares on crowded trains.
